

# Pink Rhino

Off-Dry Rose

Linton Park Wine Estate is part of the Groenberg appellation in a dramatically beautiful mountainous terrain. Our 294ha Estate is minutes away from the charming and rustic town of Wellington in South Africa's Western Cape. Proceeds from this wine range (of a Rand a bottle sold) are donated annually to support our conservation partner. We are aligned to Rhinos without Borders who translocate the animals to Botswana. We are deeply committed to sustainability in all our farming practices, protecting our Rhino field, eradicating alien vegetation and recycling water.

## The Wine

Grapes were hand picked in the early hours of the harvesting day from designated vineyard blocks. They were destemmed and crushed before undergoing a controlled cold fermentation in stainless steel tanks. The wine was stabilised, filtered and then bottled into a lightweight 350gr bottle before being distributed.

## Winemaker's Comments (J.G. Auret)

Serve ice cold when drinking on hot summer days! Red berry fruit characters on this wine bounce from aromas to taste flavours. Fresh strawberry and raspberry notes make for this being a solo sipping wine or well paired with small plate meals.
